P R O F I L E

Our History

Expo Freight Services Ltd is a Limited Liability Company established in 1984, Expo Freight Services Ltd. and has over 34 years of providing quality customs brokerage service to importers and exporters all over Tanzania. As a founding member of the Tanzania Freight Forwarder of Customs Brokers and its successor, the Tanzanian Society of Freight Forwarders, recognizes our services as most valued Customs Brokers Society in Tanzania.

Expo Freight Services Ltd started as a small enterprise serving local importers in Dar es Salaam City area. Through the years of steady and sustained growth the company now represents many national and multi-national clients from a full spectrum of key industries.

Our People

Expo Freight Services Ltd greatest asset is its employees. We take pride in the talent of our people, the depth of their expertise and the teamwork employed in all our endeavors are tools we make use of when responding to our clients' needs.

Mission

Our Mission statement is simplicity itself. To offer expedient, efficient and cost effective clearing and forwarding services in both the import and export sector so as to not only meet but at all times exceed our client expectations, thus providing superior freight forwarding services locally and internationally.

Vision

To be considered the Clearing & Forwarding Agent of choice not only in Tanzania but Globally as well as in the Eastern and Central African region as a whole.

Values

Reliable, Quality, Timely and Customer Orientation.

Company Moto

Listening to our clients and understanding their business objectives, so as to customize our services and identify customs programs to further our clients' interests. Whether a small business in an emerging industry or a diversified multinational corporation, each of our clients represents an important relationship to Expo Freight Services Ltd.

Our strength

Dedication to service and unparalleled knowledge in the industry gathered through years is our hallmark. Our experience is measured not only in years but also in decades. As one of Tanzania's oldest clearing & forwarding agency, our experience and dedication accounts for a high degree of customer loyalty and the ability to anticipate problems that may slow down release of your goods and be proactive in solving them. When an emergency arises, we are equipped to derive and facilitate a timely resolution.

Objectives

Our objective is simple, to provide reliable, timely and hassle free clearing and forwarding services.

Resources

We are totally committed to providing you with a service that far exceeds your expectations by utilizing state of the art technologies, highly trained friendly and experienced staff as well as making use of tools for logistical support provided by government entities such as:

- Tanzania Food & Drugs Authority (TFDA)
- Government Chemistry Laboratory Agency (GCLA)
- Tanzania Revenue Authority (TRA)
- Tanzania Bureau of Standards (TBS)
- Tanzania Ports Authority (TPA)
- Tanzania Shipping Agency Corporation (TASAC)
- Ministry of Works, Transport and Communication

Services

We provide Import and Export services in both Air and Sea Cargo. In doing so, we obtain, prepare and present the necessary documents or data to Customs on behalf of our clients. Focusing on providing quality accurate information we reduce potential liabilities for penalties and future compliance audits. Where applicable we obtain documentation to provide use of the most beneficial rates of duty. This facilitates lower costs while maintaining compliance with Customs regulations.

Our Work Entails

Customs clearance for Imports, sea freight and airfreight for general cargo, vehicles, containerized and non-containerized, bulky, abnormal or air cargo and sea shipment such as vaccines, incoming & outgoing diplomatic bags and post parcels.

Removal & Forwarding services to upcountry destinations. This includes warehousing, packing, crating, shipping by ship and/or boats, rail, and road, airfreight, and courier services.

Liaising with shipping lines for booking of vessels and aircrafts in case of export of commercial goods and personal effects all around the globe.

Liaising with Tanzania Revenue Authority (TRA) for Tanzania Customs Integrated system -TANCIS Preparations.

Follow up UN & diplomatic privileges with the Ministry of Foreign Affairs & International Cooperation such as PR06, and the Ministry of Finance and Economic Affairs for tax exemptions, Tanzania Investment Center (TIC) for Local and International Investors Exemptions, and attending to Motor Vehicles Third Party Insurance, registration and stickers for clients.

We offer export document preparation for shipments leaving Tanzania. These documents include Export Declarations, Pro Forma Invoices, Certificates of Exportation and Certificates of Origin. Customs clearance starts when shipment leaves by the TRA Entry created lasting in the country to which the goods are destined.

We advise on how to avoid frequent incurred penalties/customs offences accordingly.

We provide documents mandatory for different services (Import/Export).

Attending to any Marine Insurance claims on behalf of our clients in case if the need arises.

Consulting

Our qualified customs professionals conduct in depth research for your specific requirements. Origin determination, tariff classification, valuation, duty/tax recovery programs, etc. We also offer customs compliance verification to assess your liabilities. This is critical in light of the new Customs mandate related to post audit reviews and monetary penalties.
